

Professional Liability Solutions for the Construction Industry

Swiss Re Corporate Solutions offers tailor-made, industry-specific risk transfer solutions to our corporate clients across the globe. Our Global Construction team offers practice and project-specific professional liability insurance solutions on a **primary, excess or quota share** basis. Our team provides technical underwriting excellence and construction specific risk management services to deliver industry-leading products, services and expertise to our clients.

Target clients

- Architects and Engineers with fees in excess of USD 30m
- Contractors with revenue in excess of USD 200m
- Buyers of project-specific covers with construction values in excess of USD 250m or professional fees in excess of USD 20m
- Project owners

Our capacity

Our capacity deployment, backed by the Swiss Re Group's diversified portfolio and strong financial rating, is dependent upon risk quality, and specific risk characteristics, but can reach as high as USD 25m.

Our value proposition

- Tailored risk transfer solutions for our clients' professional liability needs
- World-class knowledge and technical expertise in risk and capital management
- Highest standard for execution excellence
- Best-in-class customer service
- Committed to long-term relationships

Our offering

- Primary or excess annual practice and/or project-specific PL policies:
 - Architects and Engineers Professional Liability
 - Contractor's Professional Liability and Indemnity (CPLI)
 - Contractor's Pollution Liability available as an extension, both claims made and occurrence trigger
 - Owner's Professional Liability and Indemnity (OPLI)
- Will follow captives, risk retention groups and significant self-insured retentions
- Flexibility to integrate Excess Professional and Excess Casualty programmes
- Ability to accommodate large or complex projects
- Admitted paper for AE placements for US-domiciled insureds
- Worldwide insurance and reinsurance solutions
- Multi-year capabilities with flexible ERP offerings
- Commitment throughout the project life cycle and ability to provide support and feedback on lessons learned from claims experience in the construction insurance industry

Our team

Our dedicated team, located in North America, APAC and Europe, has extensive knowledge of the local market and works closely with clients to provide tailored, industry-specific insurance solutions. Our team is made up of professionals with combined expertise and over 100 years of industry experience.

Our clients have access to the deep expertise and experience of our regionally-based and dedicated claims team.

Our team includes risk engineers well-versed in the construction field with the ability to provide support and feedback on lessons learned from claims experience in the construction industry.

Construction law professionals provide contract review and educational support service to our clients.
